7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022, General Circular No. 10/2022 dated 28.12.2022 and General Circular No. 09/2023 dated 25 September, 2023 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 25th September, 2024 (09:00 A.M.) and ends on 27th September, 2024 (05:00 P.M.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **21st September, 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- (iv) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- (v) In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (vi) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in

demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

AUDITORS

STATUTORY AUDITORS

Pursuant to the provisions of Section 139 of the Companies Act, 2013, M/s Kapil Kumar & Co. Chartered Accountants, (Firm Registration No. 006241N) re-appointed as Statutory Auditors of the Company for a term of 5 (Five) consecutive years from the conclusion of the 29th Annual General Meeting held on 30th September, 2022 till the conclusion of 34th Annual General Meeting of the Company to be held in the year 2027.

AUDITORS' REPORT

The Statutory Auditors of the Company has submitted their reports on the standalone and consolidated Financial Statements of the Company for the financial year ended 31st March, 2024. During the Financial Year, no instances of fraud have been reported by the Statutory Auditors under Section 143(12) of the Companies Act, 2013 read with rules framed thereunder, either to the Company or to the Central Government.

The observations made by the Auditors in its report on the standalone financial statement of the Company and reply thereto by the management are here as under:

- i. Originally the plant of the company was setup at NSEZ, Noida which was later on shifted outside NSEZ during the FY 2017-18 and in March 2019 the company further changed its business premises from time to time and since then no manufacturing activity has been carried on. The Company is required to determine impairment in respect of fixed assets, However the Company has not done impairment testing. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the financial statements is not ascertainable. The depreciation has been recognized based on of useful life and residual value estimated by the management, however in absence of necessary evidence of same we are unable to comment on the possible impact arising out of the said matter.

Reply: As per management opinion the impairment testing of PPE requires hiring of independent professional firm to ascertain the condition of PPE, however due to delayed availability of information and financial resources the impairment testing process could not be undertaken.

- ii. Balance of debtors are outstanding from long period and are subject to confirmation and consequential effect if any on the financial statements remains uncertain. The trade receivables of the company could not be verified as the confirmation of balances have not been provided and made available to us. Trade receivables amounting to Rs 607.08 lacs

which are long overdue and not provided for. Allowance for expected credit loss have not been recognized on these financial assets. The company has neither carried out impairment exercises of Trade Receivables nor provided for the same and recognized the same as non-current assets since long outstanding. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable.

Reply: The Management is trying to recover the debts hence no provision is required to be made.

- iii. The company has not followed the treatment for recognition and remeasurement of employee benefit costs as detailed in the Ind AS 19.

Reply: The Company has not undertaken any business activity during the year and moreover majority of the employees of the company left the company and their dues are settled full and final over the period of time. Considering this fact, the company has not followed the treatment for recognition and remeasurement of employee benefit costs as detailed in the Ind AS 19.

Emphasis of Matter

- i. The company had already given a corporate guarantee for an amount of Rs 807.46 crores against secured loans taken by its wholly owned subsidiary, namely M/s SSA International Limited, which has been classified as nonperforming assets by the banks. The company has also received the notice u/s 13(2) of the SARFAESI Act 2002 from consortium of banks for revocation of its corporate guarantee. The company has also received a notice from IDBI Bank Ltd as to why the company along with its subsidiary SSA International Ltd (Main Borrower) and others should not be declared as willful defaulters. The consortium bankers have filed a petition against the holding company and its subsidiary M/s SSA International Limited regarding recovery of the outstanding dues, before the Debt Restructuring Tribunal-II, Delhi, and the company has received an intimation vide O.A 530/18 dated 24/05/2018. Further, IDBI Bank has declared the main borrower (M/s SSA International Ltd), its directors and Guarantors (including M/s Samtex Fashions Ltd) as willful defaulters in terms with RBI Guidelines. The updated details of proceedings against the company and its subsidiary M/s SSA International Ltd has not been made available, in absence of such details we are unable to comment on the possible impact, if any, arising out of the said matters.

REPLY: The company is trying to settle down the matter after taking the necessary actions required in this regard.

- ii. We have not been provided with sufficient, appropriate audit evidence relating to physical verification of fixed assets and inventory. Pending completion of such verification, we are unable to comment on the possible impact, if any, arising out of the said matters.

REPLY: Fixed Assets and Inventories have been accounted for correctly in the financial statements for the year ended 31.03.2024 and been relied upon by the Auditors.

- iii. The company had given loans and advances as on 31.03.2024 which are outstanding from long time. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable. Moreover, we have not been provided with justification giving said advance and sufficient, appropriate audit evidence relating to verification of the same. Pending completion of such verification/ reconciliation, we are unable to comment on the possible impact, if any, arising out of the said matters.

REPLY: The advances are given in connection with business of the company, to restore the business operations of the company have been accounted for correctly in the financial statements.

SECRETARIAL AUDIT

Pursuant to provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 the Company has appointed M/s. DMK Associates, Company Secretaries, as Secretarial Auditor to undertake the Secretarial Audit of the Company for the FY 2023-24.

The Secretarial Audit Report for the financial year 2023-24 submitted by them in prescribed Form MR-3 has been annexed hereto marked as **ANNEXURE-I** and forms an integral part of this report. The Secretarial Auditor has made certain observations. The observations and reply thereto are as under:

OBSERVATIONS

The Unaudited Standalone & Consolidated Financial Results along with Limited Review Reports for the Quarter and half Year ended 30.09.2023 were approved by the Board in its meeting held on 10.11.2023 and the said Results along with Limited Review Reports were submitted to BSE on 10.11.2023. However, due to technical error, the cash flow statement pages in combined file of the standalone financial results had been inadvertently missed by the Company, which came to notice of the Company on receiving the query from BSE vide e-mail dated 17.11.2023, subsequent to which, the Company filed revised results along with Limited Review Reports on 18.11.2023 resulting into a delay of 3 days in the submitting the aforesaid results which is in violation of regulation 33(3)(a) of SEBI LODR. The BSE have levied a fine of Rs. 17,700/-(inclusive of 18% GST) on the Company for the aforesaid non-compliance.

REPLY: the Company had duly submitted the Standalone and Consolidated Financial Results along with Limited Review Reports for the quarter and half year ended 30th September, 2023 on 10th November 2023. However, due to technical error, the Cash Flow Statement pages in Combined file of the Results had been inadvertently missed which came to notice of the Company on receiving the Query from BSE vide e-mail dated 17th November, 2023 in relation to the Standalone Financial Statement. Subsequent to which, the Company has duly filed revised Standalone & Consolidated Results along with Limited Review Reports on 18th November 2023. However, a fine of Rs. 17,700/- was imposed on the Company and the Company has duly made the payment against the same and the matter is resolved now.

Further, Secretarial Audit of the material unlisted subsidiary Company viz. SSA International Limited for the financial year ended March 31, 2024, as required under Regulation 24A of SEBI Listing Regulations, has been conducted by M/s. DMK Associates, Company Secretaries. The said Secretarial Audit Report is annexed herewith as **Annexure – II**. The observations and reply thereto are as under:

OBSERVATIONS

The Company has not appointed Internal Auditors as required under section 138 of the Act during the financial year under review.

REPLY: The consortium member banks have transferred the assets of the Company to National Assets Reconstruction Company Limited (NARCL) and as the Company's manufacturing unit located at 67th Milestone, Samalkha District, Panipat, Haryana, has been taken over by the Bank and accordingly there is no operation and any activity in the Company from August 2017. **INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF****SAMTEX FASHIONS LIMITED****Report on Audit of the Financial Statements****Qualified Opinion**

We have audited the accompanying standalone financial statements of SAMTEX FASHIONS LIMITED, which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view (subject to the matters of Basis of Qualified Opinion and emphasis mentioned below) in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit/loss, total comprehensive income/ loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- i. Originally the plant of the company was setup at NSEZ, Noida which was later on shifted outside NSEZ during the FY 2017-18 and in March 2019 the company further changed its business premises from time to time and since then no manufacturing activity has been carried on. The Company is required to determine impairment in respect of fixed assets, However the Company has not done impairment testing. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the financial statements is not ascertainable. The depreciation has been recognised based on of useful life and residual value estimated by the management, however in absence of necessary evidence of same we are unable to comment on the possible impact arising out of the said matter.
- ii. Balance of debtors are outstanding from long period and are subject to confirmation and

consequential effect if any on the financial statements remains uncertain. The trade receivables of the company could not be verified as the confirmation of balances have not been provided and made available to us. Trade receivables amounting to Rs 607.08 lacs which are long overdue and not provided for. Allowance for expected credit loss have not been recognized on these financial assets. The company has neither carried out impairment exercises of Trade Receivables nor provided for the same and recognized the same as non-current assets since long outstanding. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable.

- iii. The company has not followed the treatment for recognition and remeasurement of employee benefit costs as detailed in the Ind AS 19.

Material Uncertainty Related to Going Concern

The company has accumulated losses and net worth of the company is continuously eroding. The company has incurred a net loss during the current and previous year(s) and the current liabilities exceeds its current assets. Moreover, no business activity has been undertaken throughout the year. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. However, the financial statements of the company have been prepared on a going concern basis.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the group's ability to continue as going concern and therefore the group may be unable to realize its assets and discharge its liabilities in the normal course of business. As a result of ongoing matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of trade receivable, trade payables, borrowings, current liabilities, loans and advances and contingent liabilities as at 31st March, 2023 and in respect of the corresponding possible impact of such items and associated elements on the statement for the year ended on that date, should the group be unable to continue as a going concern. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements. However, the financial statements of the group have been prepared on a going concern basis.

Emphasis of Matter

- i. The company had already given a corporate guarantee for an amount of Rs 807.46 crores against secured loans taken by its wholly owned subsidiary, namely M/s SSA International Limited, which has been classified as nonperforming assets by the banks. The company has also received the notice u/s 13(2) of the SARFAESI Act 2002 from consortium of banks for revocation of its corporate guarantee. The company has also received a notice from IDBI Bank Ltd as to why the company along with its subsidiary SSA International Ltd (Main Borrower) and others should not be declared as wilful defaulters. The consortium bankers have filed a petition against the holding company and its subsidiary M/s SSA International Limited regarding recovery of the outstanding dues, before the Debt Restructuring Tribunal-II, Delhi, and the company has received an intimation vide O.A 530/18 dated 24/05/2018. Further, IDBI Bank has declared the main borrower (M/s SSA International Ltd), its directors and Guarantors (including M/s Samtex Fashions Ltd) as willful defaulters in terms with RBI Guidelines. The updated details of proceedings against the company and its subsidiary M/s SSA

International Ltd has not been made available, in absence of such details we are unable to comment on the possible impact, it any, arising out of the said matters.

- ii. We have not been provided with sufficient, appropriate audit evidence relating to physical verification of fixed assets and inventory. Pending completion of such verification, we are unable to comment on the possible impact, it any, arising out of the said matters.
- iii. The company had given loans and advances as on 31.03.2024 which are outstanding from long time. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable. Moreover, we have not been provided with justification giving said advance and sufficient, appropriate audit evidence relating to verification of the same. Pending completion of such verification/ reconciliation, we are unable to comment on the possible impact, it any, arising out of the said matters.
- iv. As of 31st March 2024, inventories amounting to Rs 25.32 lacs and as no business activity has been taken out during the year, the inventories have not been used for a long period of time, the company may provide for if any inventory item is damaged or has become obsolete or if the selling price has declined.
- v. The Company has outstanding balance of amounting Rs. 132.28 Lacs of deferred tax assets upto March 31, 2024, in absence of probable certainty and convincing evidence for taxable income in future, we are unable to ascertain the extent to which these deferred tax assets can be utilized.
- vi. Balances of input tax credit under goods and service tax are not in confirmation with balances as appearing in the online portal.
- vii. We have not been provided with the internal audit report.
- viii. We have not been provided with sufficient, appropriate audit evidence relating to classification of trade payable dues to MSME and trade payable dues other than MSME. Pending completion of such verification/ reconciliation, we are unable to comment on the possible impact, it any, arising out of the said matters.
- ix. Balance of trade payables are outstanding from long period and are subject to confirmation and consequential effect if any on the financial statements remains uncertain. The trade payables of the company could not be verified as the confirmation of balances have not been provided and made available to us.
- x. Confirmation of balances of security deposits, balances with government authorities, bank balances, Bank FDRs have not been provided to us, we are unable to comment on the possible impact, it any, arising out of the said matters.
- xi. As informed to us the bank accounts of the company were put on debit freeze by EPF department and we have not been provided with detailed explanation regarding the litigation with the EPF department. Moreover, several litigations are ongoing with the Income Tax Department against which the company has also deposited Rs 118.67 lacs for different financial years under protest, however we have not been provided with details and current status of the said litigations. We are unable to comment on possible impact, if any arising out of the said matter.

Our report is not modified in respect of the above matter stated

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with relevant rule there under and other accounting principles generally accepted in India in compliance with Regulation 33 of the Listing Regulations.. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls- that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of financial statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Financial Results of the Company to express an opinion on the Financial Results.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Samtex Fashions Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to information and explanations given to us, the company does not have an adequate internal financial control system commensurate with the size of company and nature of its business.

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024****COMPANY OVERVIEW**

Samtex Fashions Limited (“the Company” hereinafter) was incorporated on 26.04.1993. The company is engaged primarily in the business of manufacture of ready-made garments and also in trading activity of food grains. Originally the plant of the company was setup at NSEZ, Noida which was later on shifted outside NSEZ during the FY 2017-18 and in March 2019 the company further changed its business premises from time to time and since then no manufacturing activity has been carried on.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**a) Basis of preparation and compliance with Ind AS**

i) These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements. These financial statements were approved for issue by the Board of Directors on 29th MAY 2024.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest Lac (INR 00,000), except when otherwise indicated.

**b) Basis of measurement**

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i) Certain financial assets and financial liabilities measured at fair values (as required by the relevant Ind AS)
- ii) Defined benefit and other long-term employee benefits have been measured at actuarial valuation as required by relevant Ind As.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

c) Property, Plant and Equipment (PPE)

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of Property, plant and equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss. Losses arising from the retirement of, and gains or losses arising from disposal of Property, plant and equipment which are carried at cost are recognized in the Statement of Profit and Loss.

Ind AS 101 permits a first time adopter to elect to continue with the carrying value of all of its property, plant and equipment as recognized in the financial statements as at the date of transition of Ind AS, measured as per previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommission liabilities, if any. This exemption can also be used for intangible assets covered by Ind AS 28 Intangible asset. The Company has elected to measure all of its property, plant and equipment's and intangible assets at their previous GAAP carrying value.

Originally the plant of the company was setup at NSEZ, Noida which was later on shifted outside NSEZ during the FY 2017-18 and in march 2019 the company further changed its business premises from time to time and since then no manufacturing activity has been carried on. The Company is required to determine impairment in respect of fixed assets, However the impairment testing has not been done during the year.

d) Depreciation:

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on straight line method over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from the asset by the Company. Depreciation on additions is provided on a pro-rata basis from the month of

installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month of deduction/disposal.

S no	Asset Classification	Useful Life
1	Factory Building	30 Years
2	Furniture & Fixture	10 Years
3	Office Equipment	5 Years
4	Vehicles	3 Years
5	Mobile	3 Years
6	Electrical Fittings	10 Years
7	Plant	15 Years

e) Impairment of Tangible and Intangible Assets

No business activity has been carried on by the company during the year and production facilities has not been used for a long period of time The company is required to determine impairment in respect of fixed assets, However the company has not done impairment testing.

f) Inventories:

Inventories are valued as follows:

Raw materials, stores& accessories are valued at lower of cost and net realizable value (NRV). However, these items are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on FIFO basis. The cost of inventory comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs related to the inventories.

Finished goods, stock-in-trade are valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of completion. Cost of inventories is computed on FIFO basis.

**g) Borrowing Costs:**

General and specific borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use and borrowing costs are being incurred. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing cost includes interest expense, amortization of discounts, hedge related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

h) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence

or non -occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

i) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty/GST.

Revenue from sales is recognised when all significant risks and rewards of ownership of the commodity sold are transferred to the customer which generally coincides with delivery. Revenues from sale of byproducts are included in revenue.

Export benefits are accounted on recognition of export sales.

j) Employee benefits:

- i. The company has not undertaken any business activity during the year and moreover majority of the employees of the company left the company and their dues are settled full and final over the period of time. Considering this fact, the company has not followed the treatment for recognition and remeasurement of employee benefit costs as detailed in the Ind AS 19.

However, for brought forward defined benefit plans recognized and remeasured during earlier years, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), was reflected immediately in the Balance Sheet with a charge or credit recognized in Other Comprehensive Income (OCI) in the period in which they occur. Re-measurement recognized in OCI was reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost was recognized in the Statement of Profit and Loss in the period of a plan amendment. Net interest is

calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

k) Income Tax:

Income Tax expenses comprise current tax and deferred tax charge or credit. Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws. Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or OCI is recognized in equity or OCI and not in the Statement Profit and Loss. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable. Deferred tax asset if any is created on the temporary difference attributable to Property and Equipment and expense allowable on actual payment basis and in case of accumulated losses and unabsorbed depreciation deferred tax asset is only created to the extent of deferred tax liability, considering the certainty of future profits.

l) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**m) Foreign Currency Transactions:**

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined. All exchange differences are included in the statement of profit and loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income. The Company has applied paragraph 46A of AS 11 under Indian GAAP. Ind AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognized in the Indian GAAP financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

n) Segment reporting

The Company has two reportable segments based on geographic locations India & New York. Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance. Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

The accounting policies of the reportable segments are the same as the Company's accounting policies described in Note 3. Segment profit (Earnings before interest, depreciation and

amortization, and tax) amounts are evaluated regularly by the Board that has been identified as its CODM in deciding how to allocate resources and in assessing performance. The Company's financing (including finance costs and finance income) and income taxes are reviewed on an overall basis and are not allocated to operating segments. Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

However, during the current year the reportable segment did not exceed the quantitative threshold limits as per the applicable accounting standard.

o) Financial Instruments:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments Initial Recognition. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortized Cost:

A financial asset shall be classified and measured at amortized cost if both of the following conditions are met

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through OCI. All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL: Gains or Losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

**Impairment of financial assets:**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period.

Trade receivables amounting to Rs 671.07 lacs which are long overdue and not provided for allowance for expected credit loss have not been recognized on these financial assets. The company has neither carried out impairment exercises of Trade Receivables nor provided for the same and recognized the same as non-current assets since long outstanding.

Derecognition of financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. On de recognition of a financial asset, other than investments classified as FVOCI, in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

**p) Financial Instruments****Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognized at the proceeds received.

q) Cash and cash equivalents:

Cash and cash equivalents in the Balance Sheet comprise cash at bank, Cheques and Cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

r) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

**INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF****SAMTEX FASHIONS LIMITED****Report on Audit of the Consolidated Financial Statements****Qualified Opinion**

We have audited the accompanying consolidated financial statements of SAMTEX FASHIONS LIMITED, ("the Parent") and its subsidiary (the Company and its subsidiary together referred to as "the Group") which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view (subject to the matters of Basis of Qualified Opinion and emphasis mentioned below) in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit/loss, total comprehensive income/ loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- i. The wholly owned subsidiary M/s SSA International Ltd has defaulted in repayment obligations towards banking institutions. The subsidiary company M/s SSA International had not made provision of Interest on Cash credit/Term loan charged by banks/financial institutions during the current year and earlier years on various loans taken from Bank /

Financial Institutions in the Financial Statements. Had the company made such Interest provision in the Statement of Profit and loss, the loss for the year and the accumulated would have been higher. The non-recognition of interest expenses is not in accordance with Ind AS on borrowing costs requirement.

- ii. Originally the plant of the holding company was setup at NSEZ, Noida which was later on shifted outside NSEZ during the FY 2017-18 and in March 2019, the company further changed its business premises from time to time and since then no manufacturing activity has been carried on

The group is required to determine impairment in respect of fixed assets, However the group has not done impairment testing. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the financial statements is not ascertainable.

The wholly owned subsidiary M/s Arlin Foods Ltd has not charged any depreciation on its property, plant and equipment. The depreciation has been recognized based on of useful life and residual value estimated by the management, the estimates have been relied upon by us.

- iii. Balance of debtors are outstanding from long period and are subject to confirmation and consequential effect if any on the financial statements remains uncertain. The trade receivables of the company could not be verified as the confirmation of balances have not been provided and made available to us. Trade receivables amounting to Rs 28479.08 lacs which are long overdue and not provided for. Allowance for expected credit loss have not been recognized on these financial assets. The company has neither carried out impairment exercises of Trade Receivables nor provided for the same and recognized the same as non-current assets since long outstanding. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable.

- iv. The wholly owned subsidiary M/s SSA International Ltd had received notice of sale of assets situated at Samalkha, District, Panipat Haryana from IDBI Bank from time to time and further the company has informed that it has come to their knowledge through newspaper advertisement that the consortium member banks have executed auction of its assets at Samalkha plant. However, in absence of any information regarding the sale of assets i.e. detail of assets sold by bank, value at which the said sale transaction has been undertaken, bank wise utilization of amount received against said sale, the company has neither taken into consideration the said transaction while preparing its financial statements as on 31.03.2024 nor in earlier years and had the company

recorded the said transaction the value of property plant and equipment along with depreciation charged would reduce and the amount owed to the financial institutes would also reduced with the amount received on account of said auction sale. Further there would arise profit or loss on sale of assets and taxation implication on said transaction which will ultimately results in increase or decrease in current year profit/ loss as well as accumulated losses. Further it has come to our knowledge that similarly the consortium bankers have executed sale of assets of directors/ guarantors mortgaged with them during the year as well as earlier years and adjusted the amount received on said auction sale with amount owed by the company to the financial institutions, however the company has not recorded the effect of such transaction in its financial statements. we are unable to comment on the consequential impact of adjustment arising there from in the results, if any, is not ascertainable. We the Auditor , in our independent capacity tried to communicate with bankers to provide the detail of assets in possession and the transactions done by bankers with respect to these assets, however no response has been received .Therefore, we are unable to comment on the consequential impact of adjustment arising there from in the results, if any, is not ascertainable.

- v. The group has not followed the treatment for recognition and remeasurement of employee benefit costs as detailed in the Ind AS 19.

Material Uncertainty to Going Concern:

The Group has made losses during the current year and the preceding year. As a result of the losses, the liquidity position of the group has been substantially affected, the net worth of group has fully eroded and group's current liabilities exceeded its current assets as at the balance sheet date, adversely affecting the operations of the group. Moreover, no business activity has been undertaken throughout the year, indicating the existence of uncertainty about the ability of the group to continue as a going concern.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the group's ability to continue as going concern and therefore the group may be unable to realize its assets and discharge its liabilities in the normal course of business. As a result of ongoing matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of trade receivable, trade payables, borrowings, current liabilities, loans and advances and contingent liabilities as at 31st March, 2024 and in respect of the corresponding possible impact of such items and associated elements on the statement for the year ended on that date, should the group be unable to continue as a going concern. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact. if any, on the accompanying consolidated

financial statements. However, the financial statements of the group have been prepared on a going concern basis.

Emphasis of Matter

- i. The group has not under taken any business activity during the year.
- ii. The holding company had already given a corporate guarantee for an amount of Rs 807.46 crores against secured loans taken by its wholly owned subsidiary, namely M/s SSA International Limited, which has been classified as nonperforming assets by the banks. The company has also received the notice u/s 13(2) of the SARFAESI Act 2002 from consortium of banks for revocation of its corporate guarantee. The consortium bankers have filed a petition against the holding company and its subsidiary M/s SSA International Limited regarding recovery of the outstanding dues, before the Debt Restructuring Tribunal-II, Delhi, and the company has received an intimation vide O.A 530/18 dated 24/05/2018. Further, IDBI Bank has declared the main borrower (M/s SSA International Ltd), its directors and Guarantors (including M/s Samtex Fashions Ltd) as willful defaulters in terms with RBI Guidelines and further the IDBI Bank pursuant to provisions of SARFAESI Act 2002 has taken over the possession of premises of M/s SSA International Ltd at Village Patti Kalyan Tehsil Samalkha District Panipat, Haryana. The updated details of proceedings against the company and its subsidiary M/s SSA International Ltd has not been made available, in absence of such details we are unable to comment on the possible impact, it any, arising out of the said matters.
- iii. Confirmation of balances are not available for Trade payables, security deposits, balances with government authorities, bank balances, FDR's along with interest thereon and bank loans as at March 31, 2024. That is why the transactions made by the banks in the accounts of the company could not be reconciled in the absence of information from banks regarding transactions in bank accounts. Moreover, there are several bank current accounts having balances amounting to Rs 53.13 lacs as on 31.03.2024 as per books of accounts of the subsidiary company M/s SSA International Ltd, no transactions have been made in these accounts during the year and we have not been provided with the bank account statements of these accounts to confirm the balances. In absence of such details, we are unable to comment on the possible impact, it any, arising out of the said matters.
- iv. The group had given loans and advances as on 31.03.2024, majority of which are outstanding from long time. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable. Moreover, we have not been provided with justification giving said advance and sufficient, appropriate audit evidence relating to verification of the same.

Pending completion of such verification/ reconciliation, we are unable to comment on the possible impact, it any, arising out of the said matters.

- v. We have not been provided with sufficient, appropriate audit evidence relating to physical verification of fixed assets and inventory. Pending completion of such verification we are unable to comment on the possible impact, it any, arising out of the said matters.
- vi. As of 31st March 2024, the holding company's inventory amounting to Rs 25.32 lacs and as no business activity has been taken out during the year, the inventories have not been used for a long period of time, the company may provide for if any inventory item is damaged or has become obsolete or if the selling price has declined.
- vii. Balances of input tax credit under goods and service tax are not in confirmation with balances as appearing in the online portal.
- viii. We have not been provided with the internal audit report.
- ix. We have not been provided with sufficient, appropriate audit evidence relating to classification of trade payable dues to MSME and trade payable dues other than MSME. Pending completion of such verification/ reconciliation, we are unable to comment on the possible impact, it any, arising out of the said matters.
- x. The holding company continued to recognize deferred tax assets up to March 31, 2024, in absence of probable certainty and convincing evidence for taxable income in future, we are unable to ascertain the extent to which these deferred tax assets can be utilized.
- xi. As informed to us the bank accounts of the holding company were put on debit freeze by EPF department and we have not been provided with detailed explanation regarding the litigation with the EPF department. Moreover, several litigations are ongoing with the Income Tax Department against which the holding company has also deposited Rs 118.67 lacs for different financial years under protest, however we have not been provided with details and current status of the said litigations. We are unable to comment on possible impact, if any arising out of the said matter.

Our report is not modified in respect of the above matter stated.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with relevant rule there under and other accounting principles generally accepted in India in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls- that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

The Respective Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of financial statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the listing Regulations.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Financial Results of the group to express an opinion on the Financial Results.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matters**

**Annexure - B to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2024, we have audited the internal financial controls over financial reporting of Samtex Fashions Limited ("the Holding Company"), and that of its subsidiary company (the Holding Company and its subsidiary constitute "the Group").

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to groups's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the holding company's and its subsidiaries internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness

exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the group's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the groups'; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorizations of management and directors of the holding company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to information and explanations given to us, the Holding Company and its Subsidiary Companies, which are companies incorporated in India, does not have an adequate internal financial control system commensurate with the size of group and nature of its business.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

The group includes the following entities:

- i. M/s SSA International Ltd (along with its wholly owned subsidiary M/s Lina Global INC).
- ii. M/s Arlin Foods Ltd

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Basis of preparation and compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements.

These financial statements were approved for issue by the Board of Directors on 29th May 2024.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest Lac (INR 00,000), except when otherwise indicated.

b) Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i) Certain financial assets and financial liabilities measured at fair values (as required by the relevant Ind AS)
- ii) Defined benefit and other long term employee benefits have been measured at actuarial valuation as required by relevant Ind As.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into

account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

c) Property, Plant and Equipment (PPE)

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of Property, plant and equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realizable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss. Losses arising from the retirement of, and gains or losses arising from disposal of Property, plant and equipment which are carried at cost are recognized in the Statement of Profit and Loss.

IndAS 101 permits a first time adopter to elect to continue with the carrying value of all of its property, plant and equipment as recognized in the financial statements as at the date of transition of IndAS, measured as per previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommission liabilities, if any. This exemption can also be used for intangible assets covered by IndAS 28 Intangible asset. The Company has elected to measure all of its property, plant and equipment's and intangible assets at their previous GAAP carrying value.

d) Depreciation:

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a straight line method over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from

the asset by the Company. Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month of deduction/disposal.

S no	Asset Classification	Useful Life
1	Factory Building	30 Years
2	Furniture & Fixture	10 Years
3	Office Equipment	5 Years
4	Vehicles	3 Years
5	Mobile	3 Years
6	Electrical Fittings	10 Years
7	Plant	15 Years

e) Impairment of Tangible and Intangible Assets

No business activity has been carried on by the group during the year and production facilities has not been used for a long period of time. The group is required to determine impairment in respect of fixed assets, However the group has not done impairment testing.

f) Inventories:

Inventories are valued as follows:

Raw materials, stores & accessories are valued at lower of cost and net realizable value (NRV). However, these items are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on FIFO basis. The cost of inventory comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs related to the inventories.

Finished goods, stock-in-trade are valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of completion. Cost of inventories is computed on FIFO basis.

g) Borrowing Costs:

General and specific borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of such asset till such time the

asset is ready for its intended use and borrowing costs are being incurred. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing cost includes interest expense, amortization of discounts, hedge related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

h) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

i) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty/GST.

Revenue from sales is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer which generally coincides with delivery. Revenues from sale of byproducts are included in revenue.

Export benefits are accounted on recognition of export sales.

i) Employee benefits:

The company has not undertaken any business activity during the year and moreover majority of the employees of the company left the company and their dues are settled full and final over the period of time. Considering this fact, the company has not followed the treatment for recognition and remeasurement of employee benefit costs as detailed in the Ind AS 19.

However, till last year for defined benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognized in Other Comprehensive Income (OCI) in the period in which they occur. Re-measurement recognized in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognized in the Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. The defined benefit obligation recognized in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Scheme as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Liabilities for wages, salaries and bonus (as per the payment of bonus Act, 1965) including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees and workmen render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

The Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The company's liability is actuarially determined. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

k) Income Tax:

Income Tax expenses comprise current tax and deferred tax charge or credit. Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws. Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or OCI is recognized in equity or OCI and not in the Statement Profit and Loss. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable. Deferred tax asset if any is created on the temporary difference attributable to Property and Equipments and expense allowable on actual payment basis and in case of accumulated losses and unabsorbed depreciation deferred tax asset is only created to the extent of deferred tax liability, considering the certainty of future profits.

l) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and he weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**m) Foreign Currency Transactions:**

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined. All exchange differences are included in the statement of profit and loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income. The Company has applied paragraph 46A of AS 11 under Indian GAAP. Ind AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognized in the Indian GAAP financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

n) Segment reporting

The Company has two reportable segments based on geographic locations India & New York. Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance. Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

The accounting policies of the reportable segments are the same as the Company's accounting policies described in Note 3. Segment profit (Earnings before interest, depreciation and amortization, and tax) amounts are evaluated regularly by the Board that has been identified as its CODM in deciding how to allocate resources and in assessing performance. The Company's financing (including finance costs and finance income) and income taxes are reviewed on an overall basis and are not allocated to operating segments. Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties. However, during the current year the reportable segment did not exceed the quantitative threshold limits as per the applicable accounting standard.

o) Financial Instruments:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments Initial Recognition. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI. All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL: Gains or Losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period.

Trade receivables which are long overdue and not provided for allowance for expected credit loss have not been recognized on these financial assets during the year. The company has neither carried out impairment exercises of Trade Receivables nor provided for the same and recognized the same as non-current assets since long outstanding.

Derecognition of financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. On de recognition of a financial asset, other than investments classified as FVOCI, in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the

cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

p) Financial Instruments**Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognized at the proceeds received.

q) Cash and cash equivalents:

Cash and cash equivalents in the Balance Sheet comprise cash at bank, Cheques and Cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

r) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.
